## **SILVER FALCON MINING, INC. (SFMI) Announces Completion of its Mill Building**

**Murphy, ID- (MARKET WIRE) – 01/27/10** -- Silver Falcon Mining, Inc. (OTC:SFMI.PK) announces that its Diamond Creek Mill building is now complete. Those viewing the [Corporate webcam](#), yesterday, January 26, 2010, saw the Company's contractors finish pouring the mill building's concrete floor. Once the concrete finishes curing, within the next few days, the mill engineers will begin, with earnest, the assembly and connection of the internal mill circuit components.

Very little snow has fallen so far at the mill site, confirming local observation of years past, and does not present any problem regarding the assembly or the coming start-up of the mill.

Mr. Pierre Quilliam, President, Silver Falcon Mining, Inc. states, "The Diamond Creek Mill facility building is now completed which will house the 100% paid-in-full milling circuit. Once the circuit is assembled, SFMI will begin processing the precious metal ore bearing rock."

SFMI, at present, has adequate financial reserves to complete, start -up the mill, and carry on mining developments on War Eagle Mountain.
