SILVER FALCON MINING, INC. (SFMI) PROVIDES MILL STATUS UPDATE; NEW DIRECTOR ELECTED

Murphy, ID- (MARKET WIRE) – 09/15/09 -- Silver Falcon Mining, Inc. (OTCBB:SFMI.PK - News) announces it has elected a new director in the person of Mr. Christian Quilliam, a McGill graduate in audio engineering at the masters level and who has been in business in the information technology field for the last ten years. Mr. Quilliam brings a wealth of information and technological expertise which will benefit SFMI in the future.

Pierre Quilliam, President, Silver Falcon Mining, Inc., said, "We are excited to gain the services of such an expert in the technological field, who will organize and develop the 3-D representation of the War Eagle Mountain showing the location and value of each of SFMI's properties, including old underground workings and location of the veins taken from reliable reports and past drilling programs, and who will be responsible for on-going and future geological developments and interactions with the company's geologist."

SFMI finalized the order for its new mill building which, subject to the local building specifications, will become a local landmark and a source of pride and revenue for the County of Owyhee in Idaho. The Company is anxiously awaiting the delivery of this pre-manufactured structure.

Silver Falcon Mining, Inc. is an exploration and development Company specializing in high-grade Gold and Silver mining properties in North America.
