## Equipment Delivery Begins on Silver Falcon Mining, Inc.'s. (SFMI) War Eagle Project

**BRADENTON, FL -- (MARKET WIRE) – 02/20/08 --** Silver Falcon Mining, Inc. (Other OTC: [SFMI.PK](#) - [News](#)) and Deep Rock, Inc., today released a joint communication detailing equipment deliveries to date on the War Eagle Project.

Deep Rock, Inc., (Melba, Idaho), announces that it has taken delivery of several major capital equipment items required by its contract with Silver Falcon Mining, Inc., on the War Eagle mining project. These pieces of equipment include a 10-ton International dump truck; a GMC Yukon contractor truck; a 20-foot utility trailer with fuel tanks and spare parts storage; an International 3-axle semi-rig with a 40-foot low-boy trailer; and a Deere 11-ton 710-Turbo backhoe-loader. A large front end loader is also on order and will be delivered shortly.

Additionally, Deep Rock, Inc. announces that the construction of its maintenance facility is currently on-schedule, and should be completed by the end of February. Deep Rock, Inc. has also begun construction of the new processing facility, complete with crushing, milling, concentrating, separating, and smelting capabilities for a minimum initial targeted production capacity of 20 tons per day. The processing facility is expected to be completed by the end of April 2008.

Mr. Pierre Quilliam, President of Silver Falcon Mining, Inc. said "We placed an order for a Falcon SB250 concentrator, 20-ton Telsmith jaw-crusher, 12-ton Chinese impact crusher, and other major capital equipment items, which are currently in the pipeline for delivery prior to the 2008 mining season; and, as we continue to follow our timeline to production, we are satisfied with the progress to date. The 'Gold-Pro Ball Mill' was delivered to Deep Rock, Inc., on February 15 and will be installed into the processing circuit. A video, as well as pictures of the ball mill delivery, can be viewed on the Silver Falcon website."
