## SILVER FALCON MINING (SFMI) REPORTS TAILING TONNAGE TO BE MOVED

BRADENTON, FL -- (MARKET WIRE) -- 07/16/08 -- Silver Falcon Mining, Inc. (Other OTCBB: [SFMI.PK - News](#)) today released the results of tonnage calculations, conducted by one of their contractors, on 13 tailings on War Eagle Mountain.

Belle Peck Pile :	30,000 tons	North Poorman # 2 Pile :	2,000 tons @ 3.3 g/ton Gold and 94.5 g/ton Silver
Belle Peck Landing Pile :	40,000 tons	Jackson Pile :	18,000 tons
Oso Pile :	15,000 tons	Illinois Central Pile :	20,000 tons
South Poorman # 1 Pile :	7,000 tons	Empire Pile :	25,000 tons
South Poorman # 2 Pile :	4,000 tons	Silver Cord # 1 Pile :	3,000 tons
North Poorman # 1 Pile :	10,000 tons	War Eagle Pile :	20,000 tons @ 6.9 g/ton Gold and 50.9g/ton Silver
<b>For a total tonnage of 202,000 tons of tailings.</b>			

Mr. Pierre Quilliam, President, stated that, "This exceeds our previous assessment and based on the results of the analysis done on some of the tailings above, by Met-Solve Labs. Since the sample analyzed was from a random selection of the surface of the tailings pile, the average value in the waste reserves could be higher than the tested samples. Based upon these sampling results, we look forward to receiving future reports on the more valuable ore from other samples which are presently at the lab for assays."

Management will be reporting on additional tonnage on the remaining tailings as they become available. All tailings will be transported to the Company's mill in Melba, Idaho for milling production.

Silver Falcon Mining, Inc., is an exploration and development Company specializing in high-grade Gold and Silver mining properties in North America.
